TOASTMASTERS
Building OUR FUTURE TOGETHER

About the Candidate...

Who is Tim Swearingen?

Tim believes his 12 years Toastmasters “experience” has been a gift that has empowered him to become a better citizen in all aspects of his life. One of his core beliefs is that it becomes our responsibility and honor to provide our co-workers, friends and family a voice, which can become a catalyst for profound change.

Outside of his involvement with our organization, he is the Western Division Engineering Manager for one of the country’s largest structural component fabricators, an avid golfer, a huge Boston Red Sox baseball fan and amateur photographer. One of Tim’s proudest accomplishments occurred August 2006 in Washington D.C. as he was honored alongside the rest of the 2005-2006 District 3 team for being a President’s Distinguished District and earning the Excellence in Leadership Award for a fourth year in a row.

Though originally from Maine, Tim now resides in sunny Chandler, Arizona.

What Do I Value as a Leader in Our Organization?

Integrity: Act with honesty and integrity, not compromising the truth.

Alignment and Accountability: Accept responsibility for my actions. Make and support decisions through experience and good judgment.

Member Service Excellence: Dedicated to satisfying members’ needs and honoring commitments that I have made to them.

Teamwork: Supportive of the team’s efforts, loyal to one another, and show respect for each other both personally and professionally.

Balance: Be flexible, helping team members strike a healthy work and life balance.

Passion for Results: Show pride, enthusiasm and dedication in everything that is done. Committed to expanding the Toastmasters program to people of all backgrounds and educational levels.

Respect: Treat members and fellow leaders with mutual respect and sensitivity, recognizing the importance of diversity. Respect all individuals and value their contributions.

Open Communication: Encourage team members to openly share their opinions and views.

What Leaders Say About Tim

There are a few bright lights in the Toastmaster’s Heaven. It has been my great pleasure to call Tim Swearingen a very close friend and kindred spirit. I believe he has much to offer our grand organization and would be proud to have him represent us on the Board of Directors of Toastmasters International. Leadership is about heart and caring for people, Tim exemplifies both of these qualities.

 **Dr. Randy Harvey, DTM**
World Champion of Public Speaking 2004

Tim has demonstrated himself to be not only a highly effective leader, but also a caring leader who not only wants to get the work done, but also get the work done right. The ethics and the personal touch are as important as the raw accomplishment. That is what sets Tim apart.

 **Ralph Wallace, DTM**
Past International Director

With an acute sense to perfectly balance empowering and deciding when to find resources to assist an individual, Tim is a unique leader who works very hard to make the experience of members and leaders in our organization very fulfilling.

 **Mukund Moorthy, DTM**
District 3 Outstanding Toastmaster 2007

Tim knows how important the work is that we do in Toastmasters. He believes that we are changing the world as we change individual lives. Tim encourages the leaders around him to keep their priorities straight, and focus on the health of themselves, their families, and their jobs; the leaders of Region III will be in good hands with Tim as their mentor and guide. He’ll make sure they’re taking care of what’s most important ... so they can do the work they’ve been elected to do.

 **Angie Flinn, DTM**
Past District 50 Governor
